Previously, we saw the love the son of the Tsukiwara clan, Motoharu had for his best friend Kazumi Akira. When he realized these feelings he had for Akira, he confessed them to him. Which resulted in the other party distancing himself from him. Even so, Motoharu still entered the same university and the same department as Akira. And his days went by with him having fun and feeling aroused. But then, for no reason at all, he goes up to Motoharu and asks that they go home together like before...

CAN WE WALK HOME TOGETHER? IT'S BEEN SO LONG SINCE WE'VE DONE THAT

THERE'S SOMETHING I WANT TO TELL YOU
